

Title: Comprehensive Employee Leave and Time-Off Policy

1. Overview

Achieving a healthy work-life balance is vital to your personal well-being and professional productivity. This policy defines the types of leave available to eligible employees, along with the standard procedures for requesting time off.

2. Types of Leave

Annual Paid Time Off (PTO): Full-time employees accrue 20 days of paid vacation annually, intended for rest and recreation.

Sick and Medical Leave: Employees receive 10 paid sick days per calendar year for personal illness, medical appointments, or caring for immediate family members.

Parental Leave: We offer up to 12 weeks of paid leave for birth, adoption, or foster placement of a child.

Bereavement Leave: Up to 5 consecutive paid days are provided for the loss of an immediate family member.

3. Request and Approval Process

Except for sudden medical emergencies, all leave requests must be submitted through the HR portal at least two weeks in advance. Supervisors review requests based on team operational requirements and current workloads. Unused PTO may roll over up to a maximum of 5 days into the next calendar year; any excess balance beyond this limit will be forfeited.
